

2018-2019 SMS HSA Resource Families

The St. Matthias School HSA has a program called "Resource Families". This program is designed to welcome our new families and ease their transition into our school community. As a new family to SMS, there is a lot of information to absorb and understand. We are working to establish a network to be certain that new families are firmly "in the loop" of information and happenings at SMS. At times, you may feel somewhat overwhelmed, but don't worry, we have you covered. We are a vibrant, active community and want you to be involved and feel like you are welcome and that you belong!

We are also looking for current SMS Families to be a resource family to guide our new families. Thank you!
