Week Long Summer Camp Programs
for Kids Ages 5-12

Children embark on an around-the-world cultural adventure – explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside.

They experiment with Crayola® products, while trying art techniques developed by local artists and artisans.

They make different masterpieces each week such as drums, masks, canvases, prints, buses, and more!

They bring their unique creations home, where they can build a globally-inspired art gallery.
Take home fun Crayola® products and in-class projects

Learn to solve problems using the design thinking process.
