The yearbook staff is looking for pictures to include in this year's yearbook. We would be interested in photos from any of this year's special activities or events. *Think*....first day of school, orientation, Masses, religious life, dress down days, Color Run, Trunk or Treat, after-school clubs, St. Francis Day, band concerts, music, art, technology, Cross Country, Basketball, Cheer, merchant events, field trips, book fairs, haunted kitchen, Kindness Day, Pajama Day, St. Nick Sale, Thanksgiving and Christmas activities, Saints Day, etc. We would also be interested in Student Life photos such as friends talking, eating lunch together, laughing, getting off the bus, and so forth.

Herff Jones eShare makes it easy for members of the school community to submit photos for possible inclusion in the yearbook. Here is what you need to know:

Using any device, go to the eShare link at: [http://www.hjeshare.com/eShare/?code=HJ13430](http://www.hjeshare.com/eShare/?code=HJ13430)

- Enter your contact information. This information is provided to the yearbook staff so that they can properly identify the photos that have been submitted.

- Agree to the terms and conditions.

- Click on the green button that reads "Select Images for Upload". Then, click the "Browse for Images" button. You can select up to 10 images in a single submission.
• Select the images you'd like to share, and click "Choose" or "Open". On this page, you would provide information to the yearbook staff about each photo. When done, click on the "Upload Images" button.

• If you'd like to submit more photos, simply click on the "Browse for Images" button again.

The process is easy, so feel free to start sharing. Remember... you can continue to take new pictures and share them as well because eShare will remain open through March 25th. Thanks for sharing!
